# PhonicBooks®

**Decodable book series for beginner and catch-up readers**

Phonic Books understands that learning phonics is the foundation of long-lasting reading comprehension.

Developed by literacy experts and aligned to the Science of Reading, Phonic Books's high-interest decodable book series follow a structured sequence with incremental progression, allowing students to advance naturally whether they are just starting out or need further support in learning how to read.

## Ages 3–7

**Dandelion Launchers and Readers** offer beginner readers a gentle, gradual approach to the alphabet and vowel teams.

## Activity Books

**Activity Books** accompany the Readers to further develop language fluency, comprehension, spelling, and writing.

Permissions allow for photocopies of Activity Books.

"Phonic Books does an outstanding job of combining the Science of Reading with the joy of teaching and learning."

—Barbara S.,  
Reading Specialist

## Ages 8–14+

**Catch-Up Readers** support older readers who need to bridge gaps in phonics skills through exciting, action-packed adventures.

## NCTE Poetry & Verse Novels

The National Council of Teachers of English (NCTE) launched its Award for Excellence in Poetry for Children in 1977 to honor living American poets for their work for kids ages 3-13. The study of poetry can be a powerful teaching tool, improving literacy and vocabulary while allowing students to access emotions and an esthetic exploration of the world. Our collection includes NCTE award-winners, as well as other poetry titles recognized for their quality by the NCTE.
